Description:

Jaune and Jessica formed a bond. A very strong bond while in the simulation. (Lemons) Alternate version of "A Knight and Lantern's goodbye"

1. A Knight and Lantern's intimate see you later

Might as well make a steamy version while I'm at it.

“Has anyone seen Jaune or Jessica?” The Red Reaper asked in a tone that hinted at her being a bit concerned by their absence. With Kil%re gone they should all be safe but that didn't mean she wouldn't worry.

Seemingly everyone else took a moment from their own conversations to take a quick glance around the room only to find that the Knight and Green Lantern were nowhere to be seen.

Clark was about to suggest that they search for the duo when he was stopped by Vixen.

“They're just in the room down the hall.” The orange clad hero began, getting everyone's attention. “Those two just wanted to talk in private. They'll be back soon, no worries.”

This seemed to put the others at ease as they returned to their conversations.

Vixen let out a small sigh of relief. Jess and Jaune needed this privacy to say their proper goodbyes.

Especially after witnessing that quick kiss they shared.

He took care of her when she was at her lowest.

She didn't need to be alone.

She tried to stifle a moan from escaping her lips...

He's so understanding and sweet.

She's so brave and strong.

White chest plate Armor and matching spaulders lay resting on the floor along with a sage green jacket with matching shorts, black leggings, plain green panties and a pair of black and white sneakers with green trim...

He's so cute.

She's so cute.

Jessica sat on the edge of a King size bed. She was know only wearing her black and white turtleneck shirt that had the insignia of the Green Lantern Corps at the center. She was in a desperate struggle fighting back her moans...

“Jaune~” She quietly squeaked out.

Kneeling on the ground in front of a naked from the waist down Jessica. Her legs were draped over his shoulders as his head was planted firmly between her thighs. His tongue working tirelessly as he lapped away at her dampened sex.

An absolutely adorable “squeak” escaped Jessica’s lips as he moved his focus on her sensitive clit.

“Please, don’t stop~” She begged, running a hand through his blond hair. Her face flushed and panting heavily.

She had never felt like this. To be “taken care of” in such a way. To be... loved like this.

It was getting to be too much...

She was going to cum soon...

Jaune could feel her tense up. She even pulled at his hair a little. She must be close.

So...

“Jaune!~” Jessica squealed out as he plunged his tongue as deep into her sex as he could. He was driving her crazy with the wet spongy appendage swirling around inside her cunt.

It eventually became too much as she came. Hard. Cutely moaning out in unrestrained pleasure.

She wrapped her legs around the blonds head, keeping him in place as she stained his face with her juices.

It took her a moment to come down from her rather intense orgasm and when she did she felt something patting her rapidly on her outer thigh. Looking down she could see Jaune and it looked like his face was turning a bit blue...

“Ah! Sorry!” Jessica yelped as she unwrapped her legs from Jaune’s head, allowing him to back away and finally breathe. She could see a wetness around his mouth that he was now gasping through to refill his lungs with oxygen.

After taking a few breaths Jaune asked with a smile “So, was that okay?”.

Jessica just stared at him for a moment, her face slowly becoming redder. “Okay?”

His mile dropped.

She eventually snapped out of it. Using a portion of the blanket she was seated on to wipe away the wetness on his face.

“I-I think that was more than okay...” she paused, dropping the blanket and caressing his cheek tenderly. “That was amazing!” She smiled at him lovingly.

Jaune smiled back, placing his hand over hers and leaning into her touch.

He absolutely loves her smile.

The two stayed like this for a couple moments until Jessica looked down to see the bulge that had formed in Jaune’s pants.

She looked back up and stared into his ocean blue eyes with a somewhat serious looking expression.

“M-My turn.”

Jessica had Jaune stand up and she worked to undo his belt.

‘He’s been taking care of me so now it’s my turn.’ She thought to herself as she finally undid his belt and managed to pull his jeans down to his ankles.

She audibly gulped as the only thing left between her and Jaune’s manhood was a pair of plain grey boxer briefs. She had managed to hook her fingers over his undergarment’s waistband when...

“Jess?”

Jessica looked up to him.

“Are you...” He stuttered out. “Sure you want to do this?” He asked, cheeks having turned red from having a cute girl so close to...

“Yes.” She answered without hesitation.

She really did...

Because...

Jessica pulled down the boxer briefs and set Jaune’s manhood free...

She audibly gulped again. Having not actually had much experience with this sort of thing before.

She reached up and gently wrapped her hand around the shaft. She gave it a slow stroke down to the base and then back up to the tip. Jaune let out a small grunt in response.

“D-Did that hurt?” Jessica asked worriedly. She wanted no needed to make sure he felt good.

“N-No!” He stuttered out.

With that said she slowly began stroking his member. Pleased with the small grunts and quiet moans escaping the Knight’s lips.

She kept up this slow and steady pace as she worked up the courage to take the next step.

With a third and final audible gulp Jessica leaned forward and placed a kiss onto the tip of his member and then she parted her lips, taking the head into her mouth.

Softly sucking on the head while swirling her tongue around it. This action elicited a much louder moan from Jaune.

“Jess~”. He whimpered out, gently placing a hand atop her head as she continued her ministrations.

His moans. Him calling out her name so lovingly...

It didn't take long for her to get a little bolder. She took half of his member into her mouth.

Another moan escaped Jaune's throat.

She continued "Taking care of him" for another moment or three. Only able to take half of his member but he certainly wasn't complaining.

"Jess, I'm gonna—". He tried to warn her but it was too late.

He couldn't hold back as the first shot hit the back of Jessica's throat.

This act surprising her and she reflexively backed away, gagging as more of his cum shot out with a couple landing on her face and the last two hitting the floor.

As Jaune's member slowly deflated and he came down from his orgasm... He panicked.

"Oh, Jess I'm so sorry!"

He hurriedly wiped off her face with the same blanket Jessica used on him earlier.

She managed to spit out most of the cum before speaking. “I-It’s okay.” She managed to reassure him with a smile.

He smiled back. Setting the blanket down before pulling her into a deep kiss not caring about the salty taste.

Jessica was surprised at first but quickly recovered as she deepened the kiss.

They stayed like this for a few moments in a loving lip lock. Jessica’s hands finding their way to his toned ass. While Jaune’s hands snaked their way under her shirt to find that she wasn’t wearing a bra and he began fondling her petite breasts.

They regrettably needed to breathe so they parted, both breathing heavily.

Jessica took notice of something poking her belly and upon looking down noticed Jaune’s member standing at full attention yet again.

They looked longingly into each other’s eyes. Ocean blue meeting Emerald green.

“I want you.” They both uttered out simultaneously.

Jaune scooped Jessica up into a bridal carry and attempted to carry her to the bed...

Unfortunately he forgot that his pants and underwear were still down around his ankles, causing him to trip with Jessica landing safely on the bed while he face planted on the floor.

“Jaune!?” Jessica scrambled over to the edge of the bed to see if he was okay.

With a frustrated groan Jaune rolled himself over and started trying to release his ankles from his clothes.

His momentary struggle making Jessica giggle.

Once free of his pants, underwear and shoes he stood up and removed his hoodie with much less difficulty. The sight of his toned body making Jessica blush.

He made his way towards her and she leaned back onto bed allowing him to crawl on top of her.

He captured her lips in another loving kiss and she trailed her hands up and down his bare chest as he started to pull up on her shirt. They broke off from their kiss to allow Jaune to pull Jessica’s shirt off and expose her bare body to him. She may have

been a bit on the small side but she was still gorgeous to him.

He leaned down and whispered into her ear “I want you.” He planted a sweet kiss on her lips.

“I want you.” She spoke in between kisses.

But not like this...

Jessica gently pushed on Jaune’s chest and he took that as a sign to stop. He was a little confused but followed her lead.

They both sat up and she pushed him so that he was sitting on the edge of the bed. She carefully maneuvered herself to be seated in his lap with his member sandwiched between their stomachs.

She kissed him once more before raising herself up and positioned his member with one hand to the entrance of her sex.

Then slowly she lowered her self, taking him deep in side. They both shuddered at the sensation.

They both sat there for a moment getting used to this very new feeling.

They shared one more kiss...

Jessica wrapped her arms around Jaune's neck...

Jaune wrapped his arms around Jessica's waist...

Then they started moving...

Him slowly and gently thrusting into her. Being careful not to hurt her.

Her grinding, raising and lowering herself onto him.

They kept up this rhythm. Each with their pleasure increasing.

Overtime they picked up the pace. They moaned and grunted in ecstasy. Calling out each other's names.

“Jess~”

“J-Jaune~”

It wouldn't be long now and they both knew it.

With another few moments of pleasure the first dam broke...

Jaune came first, releasing another sizable load deep into Jessica's tight pussy. Moaning out her name all the while.

In turn Jessica came next. Her pussy walls tightened around Jaune's cock, making sure to squeeze out every last drop of his semen. Crying out his name.

The two shared another kiss before collapsing back onto the bed with Jessica laying on top of Jaune. The two snuggled close and basking in the after glow of their love making.

After a moment to catch their breaths they both simultaneously uttered out "I love you." Before sharing one last kiss.

"Are you two ready?" Diana asked as she stood with her arms crossed just outside the Control Room's entrance.

Jess and Jaune had an approached hand in hand down the hall. The two looked to each other with small smiles and nodded.

"Yeah, we're ready." Jess answered.

Diana looked between the two before nodding herself, turning to enter the Command Center.

Jaune took a deep breath in then out. This was really going to be goodbye.

He made to take a step forward but was halted by Jessica.

Looking down he saw that she was looking up at him, a bright smile gracing her lips.

He smiled brightly back at her.

Using her powers to create a small stepping stool and using said stool get herself closer to Jaune's own height that let her capture his lips in a soft kiss.

"We'll meet again." She said stepping off of the stool before it disappeared. "I promise."

"I know we will." Jaune said.

The Knight and The Green Lantern smiled to each other before entering the Command Center still hand in hand where instead of "goodbye" it will be "see you later".
