## Afterword

I've wanted to make a sequel to the Tan Call Boy story for many, many moons... So here I finally am, back to these two.

But instead of being a quiet and romantic reunion, things went absolutely ballistic. I've wanted to be spoiled by a tan gyaru junior mommy call boy for such a long time now... Or has that desire always been inside me?

Anyway, I decided to burst through all walls and societal barriers with this one! Reason be damned! I just wanted to be spoiled by him a whole lot... So yeah, that's the kind of work this is. I hope you enjoyed it, even just a little bit.

I also hope to see you again in my next work as well.

Goo-goo gaa-gaa...
