

We're just running a little errand.

Oh! Shiki, Astolfo, hi there. It's rare to see you together.

Wanna come with us?

Ya-hoo, Master!

O-Oh, hello, Master!

Huh?! He can't! I-I mean, he's too busy, we shouldn't bother him!

Huh... I see~ Well then, catch you later, Master!

See you later, Master!

Yeah, see you later. Don't trouble Shiki too much, all right, Astolfo?

Got it!

We just did it last week, and yet you already dragged me into an empty room.

B-But a week is too long! I can't take it anymore.

I won't stop even if you cry for mercy, so get ready.

I'll squeeze cum out of your balls until they're dry.

That won't be a problem, I'm really backed up.

You're so quick to invite me, only to be satisfied in a moment and go limp on me.

Sigh... I'm tired of Jap sluts like you, y'know?

I wonder which one of us is the real trouble-maker~

"Don't trouble Shiki"? Heh~

BA-DUMP

Ahh

gulp

How selfish...
I'm tired
of getting
tangled up
with Jap
sluts...

I
guess
we
just
aren't
compat-
ible.

Once
again,
I didn't
even
get to
cum.

Like
Master!
I'm sure
he won't
mind
putting
up with
you.

Can
you
ask
someone
else
from
now
on?

If we
have sex,
I wanna
feel good
too,
y'know?
